

Attachment Site Plan - Recreational Fires

THIS SITE PLAN FORMAT IS OPTIONAL: It is available as a convenience – site plans may be provided in other formats.

SITE PLAN: The site plan must be drawn to scale and show the location of all the property lines, all existing buildings/ structures on the property, fences, overhead wires and the location of the proposed fire container. **NOTE:** per the City's Open Burning ordinance, the fire container must be a recreational outdoor portable fire pit, chiminea or other free standing container. It may not be larger than three (3) feet wide, three (3) feet deep, and three (3) feet tall (exclusive of feet, legs or chimney). It must be made of non-combustible material and covered by a screen or other spark cover/arrestor.

Address: _____

Scale: Length of one (1) square = _____ feet

Sample – Do Not Submit Site Plan - Recreational Fires

THIS IS A SAMPLE: This page *may not* be submitted with a permit application. It is provided for illustrative purposes only. **Do not** attempt to mark-up, revise, or otherwise adapt this page to your project. The details shown on this sample are not exhaustive for all site plans; the site plan for your project may need to show details that are not included in the sample. If you have questions regarding the site plan requirements for a particular project, please contact the Development Center at 616.456.4100.

Sample Site Plan

Note: Show any additional structures that exist on the property (i.e. pool, shed, fence, etc.)
